

# MADE FOR EXPORT

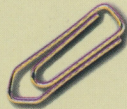

– more than just a catalog!

## STATIONERY, OFFICE SUPPLY AND ALLIED LINES 1994

A purchasing guide for  
importers, agents and distributors  
looking for bigger profits!

Including:

- Details about manufacturers  
of fast selling office supplies
- Calendar of relevant international  
trade fairs and exhibitions
- List of companies seeking  
agents in your country

# The key to success

is choosing products for which there is an on-going market, making sure they are in the finest materials and properly controlled before leaving the factory. For example: these fountain pens and ballpoints made of real briar wood, hand finishing and featuring the popular Greek key designs.
